# Welcome

A variety of behavioral health services and programs are available to behavioral health clients in Merced County. Behavioral Health and Recovery Services (BHRS) are provided to children, youth, adults, and their families. Inpatient and Outpatient sites have bi-lingual staff along with access to multiple language line for additional translation needs at no cost to clients. Behavioral Health services are available 24 hours a day and can be accessed by appointment, telehealth, walk- in, or after hours by telephone.

## Screening Process

Services may be accessed by telephoning the Mental Health Plan (MHP) staff. Callers will speak to a Mental Health Worker who will provide referral to programs and/or services most suited to their behavioral health needs.
